

TWC Press Accreditation Open from Monday, July 22nd, 9 AM EST

1. Third-Party Video Cameras Approved - Third-party professional journalists and social media content creators' video cameras are permitted fieldside only before the match starts and only in designated areas.
2. Production and Content: Production and content during and after the match are exclusively managed by TWC and host teams. Therefore, only TWC and team personnel are allowed on the field.
3. Photographers Accreditation: Photographers must obtain accreditation to access the field.
4. Official TWC Photographer: TWC and member teams will have official photographers at the match. Press photos will be distributed upon request with the final press release. For more pictures, you can visit TWC social media channels and the website.
5. Press Accreditation Details:

Accreditation is open to the press from Monday, July 22nd, 9 AM EST.

Please send your accreditation request to alejandra@obviomeda.com with the following details:

- Name, surname, email, direct phone number
- Media outlet represented
- The latest article published by the media outlet about TWC
- Specify the event for which accreditation is needed: Kansas City or Louisville
- If you are a photographer or videographer, please read the limitations
- All media must adhere to the Media Guidelines for CPKC Stadium and Lynn Family Stadium at all times

Please ensure all accredited personnel adhere to these guidelines during the event.
